

# Artists in Residence

~ WHERE TALENT MEETS PASSION, AND THE ARTS LEAD THE WAY!

Our mission is to provide local and out-of-town practicing and aspiring artists with the time and space to make art through the residency program and organized classes, camps, private lessons, and events.

## “the studio” Artist Levels:

**Master Artists** – Professionally-Trained, Practicing Artists/Artist Responsible for the facility, event, etc

**Resident Artists** – Practicing Advanced Artists chosen by the “the studio” Project Manager and Master Artists; MUST declare a primary skill focus for study and improvement through residency (has already begun or is in pursuit of professional training)

**Emerging Artists** – Practicing Artists who are new to the arts OR cannot fully commit to “the studio” project’s Artists in Residency program, but desires some participation in events

**Art Lovers** - Volunteers

**Aspiring Artists** – Student Artists who attend events, activities, courses, and/or camps through “the studio” project
